

Course theme
Portrait & Fashion

Course level: beginner
Group size: 8-12 participants
Duration: 4 hours
Price: 100 euros
including drinks and snacks

Strike a pose! During this crash course you will learn to create the portraits and fashion pictures that really work. Working in couples, you will experience how to direct, style and position your model. With your own idea as a starting point, we will teach you the basics of lighting and how to use it for your specific subject. This way, you can create the ambiance you are looking for and use this knowledge for your upcoming projects.

Course theme
Scenic & Nature

Course level: beginner
Group size: 8-12 participants
Duration: 4 hours
Price: 100 euros
including drinks and snacks

Looking for ways to capture stunning pictures of the outdoors and take your scenic photography skills to the next level? You're in luck. During this crash course you'll learn how to create unique shots of nature, while strolling down the rural industrial, photogenic grounds of Hembrug. Learn more on the art of visual composition, the right light, settings, and framing to capture images that amaze your viewers.

Course theme
Lifestyle Products

Course level: beginner
Group size: 8-12 participants
Duration: 4 hours
Price: 100 euros
including drinks and snacks

How do you bring products and objects to life using photography? This crash course is especially designed to make you look beyond the product, by visualizing the stories that define them. Experimenting with various materials, composition and light techniques help you create a unique experience within a frame. Let's create some stories.

Course theme
Hospitality & Food

Course level: beginner
Group size: 8-12 participants
Duration: 4 hours
Price: 100 euros
including drinks and snacks

For all those who love food and are passionate about hospitality- we designed a crash course just for you. In only four hours you'll learn to visualize your unique style in professional (and tasty) culinary images. Don't you worry! We will make it look delicious.
